Stewardship Moment: *"He instructed them to take nothing for the journey but a walking stick – no food, no sack, no money in their belts."* - MARK 6:8 How different we are from the Apostles who took nothing when they ventured out to serve God. Today, we make our life's journey more difficult because of all the material baggage that we drag along. When we really put God first in everything and put money and possessions second, we experience more freedom to joyfully serve God and others.

Well, I made it to St James and have settled in. It seems odd in the morning when I wake up and it is not Wahpeton. No usual train noises to speak of. I have met with some familiar faces from here and some new ones too. I have also met with some familiar old faces as Rod and Sheri Koch were smiling at me from the pews on my first Sunday here - that made my day. I think the Lord was affirming my belief that we are all one family and will always be together in the heart if not by distance. I want to thank everyone of the parish for the best first two years a new priest could ask for! I also want to thank all those who gave me cards and going away gifts. The generosity of St Johns has always amazed me! I send you my love and thanks for everything. You are and will always be in my prayers, and my private Mass this week will be for all the parishioners of St John the Evangelist - with many more to follow. God Bless! Till we meet again!
